Important

For students who do not speak Serbian, the Faculty organizes a preparatory Serbian language course.

In the first year of study, students can attend classes in the English language.

Who can enroll in the first year of studies at the Faculty of Business and Law?

Applicants eligible to enroll in the first year of Bachelor studies should have successfully completed senior middle school from all educational backgrounds.

Admission to the first year of study

According to the procedure prescribed by the Ministry of Education, Science and Technological Development of the Republic of Serbia, the admission is without taking the classification exam, and after passing validation of previous diplomas.

Important dates

- Submission of applications up until .
- Processing of the requests of interested candidates up until .
- Notifying the candidates of the results of the competition until
- Acceptance of students from
- Beginning of the Serbian language course.

To check whether some deadlines are extended, please, visit the website: www.meste.org/fbl/

Faculty of Business and Law accreditation

The Faculty works according to the work permission 612-00-02939/2016-06 of 15.11.2016 granted by Ministry of Education, Science and Technological Development of the Republic of Serbia.

International collaboration

For years, the Faculty has been developing intensive international collaboration with high educational institutions from Europe and Asia. Among the other, the collaboration provides an exchange of students with partner universities from Bulgaria, Poland, Romania, Russia, Slovakia, and Ukraine. Students have an opportunity to participate in the **Erasmus+** program of student exchange.

Special opportunities for students

The Faculty can offer to its students, accommodation, and food at reasonable prices.
